Summarized Content:- Quiz competition was organized in the premises of BIS for little toddlers to enhance their analytical and observational skills. It was a fun favoring competition wherein, all the candidates gave their best.

Quiz competition had 5 to 8 rounds for each class. Teachers prepared the presentation for the same by making extra-ordinary slides for the kids. The first round or pre-round was organized with the aim to shortlist the candidates for the final round.

In the first round students were shortlisted on the basis of questions related to cartoon character, objects they see around them and animals sound.

In the next final round, spot the odd one out, find the difference, Count and tell, guess the character, good and bad habits, healthy and unhealthy food, professional uniform and many more brain boosters were asked from the shortlisted candidates.

The results are as follows:-

<i>S.no</i>	<i>Sap-1</i>	<i>Sap-2</i>	<i>Sap-3</i>
