REPORT – Photo Frame Making Competition (2018-19)

Date of Competition: May 11th, 2018

Every child has a brain full of imagination and creativity, they just need a world of opportunities to express. As Bhartiyaam is always ready to provide the platform for students to express their creativity from their imaginary world to this physical world.

The students were asked to express their ideas of imagination through coloured sheets, old news papers they brought from their homes etc. The key objective of the competition was to encourage and inspire the students to do something different. While preparing Photoframe, students learnt many new things about the craft work which could enhance their creative skill. It was also observed that while making the card and photoframe students were using their creative skill at their best.

The competition was for the classes 3rd to 8th. All the students participated with full of zeal and enthusiasm showcasing their talents and creativity.

For the jury, it was difficult to choose the winners but still anyhow they could bring up the best among all. Mrs. Mansi Sharma was the incharge of the competition. The principal, Mr. Rajesh Sharma congratulated all the participants and encouraged them to keep giving their best in future. The Head Mistress, Ms. Rashmi Anand added that such competitions should be held frequently so that students can keep improving and they can realize their full potential.
