Summarized Content:-

'**Origami**' is ancient art of paper folding, has applications in the modern-day classroom for teaching geometry, thinking skills, fractions, problem solving and fun science, while some of the oldest pieces of origami have been found in ancient china and its deepest roots are in ancient Japan, origami can make an impact in today's education too. This art form engages students and sneakily enhances their skills, improving spatial perception and logical and sequential thinking.

Origami competition is the fine way to master motorskills and trigger imaginations of the small kids.

The competition was held for the classes of preprimary i.e. sapling 1 to sapling 3 on **21st August, 2018** under the supervision of their class teacher's. The students of saplings were participated so wonderfully with great enthusiasm in this competition. They made so many beautiful things like **Dog face, Fox face, Cat, Tulip flower, Rabbit face, Bird, Hut** and many more things with the help of colorful origami sheets, This competition keeps the young hands and minds working.

Origami is a cool art activity, to keep little kids busy and creatively engaged. This activity is also good for their brains also.
