As per the Hindu mythology, the season of October – November is a period of celebration for ten continuous days which shows the triumph of good over the evil and marks the beginning of winter season. These nine days are religiously celebrated as *Navratras* followed by the *Dushehra celebration* on the tenth day. The festival is enjoyed with zeal and enthusiasm throughout the country. It particularly marks the victory of *Lord Rama* over *Ravana* eventually letting him attain moksha and rationalizing the fact to people that evil cannot resist the cycle of karma for a longer time. In continuation to the celebration of the occasion and inheriting the traditional, religious and customary values into the children, Bhartiya International School, Rudrapur made another effort by celebrating the festival in its premises on Oct 16, 2018. The celebration took place in presence of the directors Mr. Bharat Goel, Mr. Gurjeet Singh Kamra and all other dignitaries, staff and students. The function commenced with a melodious bhajan '*Jai Raghunandan jai Siyaram*' presented by the choir under guidance of Ms. Swati Ray. It was further followed by some of important scenes of Ramayana like 'Sita Swayamwar', "Shri Ram vanvas", "Bharat milap", 'Kewat-Ram samwad', 'Shabri k prabhu shri Ram', 'Ravana Vadh' and "Ram Rajyabhishek'. The scenes were so beautifully presented by the students that it mesmerized the audience and recollected the memories of our scriptures and epics in our heart and soul. It was finally ended with Ravan dahan. It was a majestic program which everyone enjoyed. It was made successful in the guidance of Ms. Mansi Sharma, Ms. Rashmi Saxena, Ms. Swati Ray and Mr. Vishal. The whole program was hosted by senior secondary students Tanurima Singh and Sarthak Punetha.
