

Field Trip

Venue for the Activity:- Hyundai Showroom & Workshop

Class:- VIII A & VIII B

Date:- 8th October. 2018

In charge:- Ms. Priyanka Garg and Mrs. Anju Joshi

Summarized Content:-

Bhartiyam International School always finds a way to give exposure to the students in every field and this time Students of Class VIIIth along with the teachers got an opportunity to experience a visit to Hyundai Showroom located in Rudrapur. Here students come to know about the different stages of manufacturing a car by Hyundai along with its maintenance.

Students interacted with the staff of the showroom, they asked their queries while visiting different areas of the showroom and workshop, which shows their keen interest towards technology. As the students were curious to know more about the manufacturing of cars so the staff organized a video presentation on it. The staff was very cooperative and well behaved.

At the end students were provided with refreshments.

It was a wonderful experience for the students and they enjoyed a lot.
