

Bhartiyam celebrates **INTERNATIONAL DANCE DAY**

“Dance is not only an expression of feelings, a celebration or just entertainment. DANCE IS A STATEMENT. A statement that says more eloquently than any spoken language, that

We are One!

April 29, 2018: Students of BIS presented Indian classical and Russian ballet to celebrate International Dance Day and to inculcate respect among the students for all forms of dance. Celebration of dance begin with chanting Omkar. Master Rhythem and Ms. Saumya traced the history and development on western dance and Indian classical through their lecture demonstration which left the students demanding for more.

Girls from class VI presented a mix of Indian classical and ballet in front of entire school.

The Head of School encouraged the students to take up classical forms of dance and to respect and learn their traditional dances. The celebration ended with the National Anthem.
