Summarized Content:-

On 6th of July sports activity was conducted in B.I.S campus for classes playgroup to sapling 3 for emphasizing the importance of sports in a child's life .Students participated with great zeal, excitement and frolicsome atmosphere. Sports activity provides a vehicle for social, physical, emotional and moral learning and is an important expression of our culture. The children played different games like balls in the bucket, obstacles race, ball balancing, and ball in the cup. At the end the students enjoyed a lot while performing the sports activity. The main aim of BIS for conducting this activity was to create the awareness among the students regarding the importance of sports in our life.
